**TIME ORCHESTRATED
MIRACLES**

Time orchestrated miracles are miracles that have been designed by God, and only released during a specific time or season.

Most times these miracles occur after years of praying, I call these the “Time Factor Prayers.”

Time Factor

Time factor is the time in a season where the thing we have been praying for manifest it's self.

It's the chronology (Processed) timing of God shifting into the opportune Kairos set time of God.

THE NEW TESTAMENT WORDS FOR TIME, CHRONOS AND KAIROS.

THE WORD CHRONOS REFERS TO THE GENERAL PROCESS OF TIME OR CHRONOLOGICAL TIME.

THE WORD KAIROS REFERS TO THE RIGHT TIME, THE OPPORTUNE OR STRATEGIC TIME, THE NOW TIME.)

Genesis 18:11-12, 14 KJV

“Now Abraham and Sarah were old and well stricken in age; and it ceased to be with Sarah after the manner of women. Therefore Sarah laughed within herself, saying, After I am waxed old shall I have pleasure, my lord being old also?

Is any thing too hard for the Lord? At the time appointed I will return unto thee, according to the time of life, and Sarah shall have a son.”

The Scripture states that Abraham and Sarah were old and well stricken in age. Indicating it was not normal for a couple that old, let alone a woman of her age to conceive and bare a child.

However, in the expressed timing of God what took Abraham and Sarah as a lifetime to conceive would happen in 9 months according to the word of the Lord.

Immediately Sarah laughed at the thought of being able to bare a child at her age. Likewise, many of us are hesitant to believe that we can give birth to prayers we have prayed because we have never seen a manifestation behind them.

- ✓ **Flesh seeks to see a fleshly manifestation, that is why after days, weeks, months even years of praying our flesh nature will cease from praying and believing if results aren't being manifested. Sarah reached her limit in the flesh and decided to take matters in her own hands.**

Sarai decided to interfere with the timing of God, I believe she delayed the timing of her miracle. Not only did she delay the timing of her miracle, but she also became bitter and jealous after trying to manufacture a miracle herself. She was trying to manufacture a miracle outside of the timing of God. You say how?

God promised to give Abraham a heir in Genesis 15:2-4. I'm sure he shared this with Sarai. As a result, she decides in the next chapter that she would be God.

When she stepped outside of Gods timing to create her own Kairos she caused:

- 1. A child to be without a father.**
- 2. A woman to have a child by a man who didn't love or want her.**
- 3. Possibly a delay in her womb being opened.**

**THIS IS WHAT HAPPENS WHEN WE DESIRE
A MANIFESTATION WITHOUT THE PROCESS:**

- 1. YOU LEAVE THE PLACE OF PROMISE TO PURSUE THE PLACE OF DESIRE.**
- 2. YOU PRAY OUT OF FLESH VS. THE SPIRIT**
- 3. YOU NEVER CONSIDER THE OUTCOME, ONLY THE BENEFITS.**

TIME-SEASON-PURPOSE

If to everything there is a season and a time to every purpose under heaven, then that means, that we need to know what season of our lives we are in so that we can pray for purpose to be revealed.

This will help us know how to pray for everything that is purposed for the season, so that it will come into its full manifestation at the appointed time.

“This is why as intercessors and prayer warriors we must become Season Watchers.”

SEASON WATCHER

“Season watchers are those that are in tune with the time and seasons of God. They are not sleeping but they are in sync with the patterns, the movement, and flow of God. They are discerners of time; therefore they know how to move in the vein of the spirit.”

Season watchers don’t pray by the moving of their flesh, but they pray what they hear and see in the spirit. They can discern the direction of how Holy Spirit is moving and they pray in that vein.”

A man in a dark suit stands with his back to the camera on a long, straight asphalt road that stretches into the distance. The road has a dashed white line down the center. The sky is filled with large, dramatic clouds, and the lighting suggests either dawn or dusk, with a soft glow on the horizon. The overall mood is contemplative and reflective.

ARE YOU A SEASON WATCHER?

- *Are you watching in your season?*
- *Can discern, how God is speaking, moving, answering prayers, and manifesting himself in your life and the lives of others?*
